

NEW STADIUM SIGNAGE

Twickenham Stadium is renowned throughout the world as the home of England Rugby and is the largest dedicated Rugby stadium in the world.

The redevelopment of the South Stand presented an opportunity to improve the signage in the stadium, to make it easier for visitors to find their way around.

New Turnstiles

As part of the redevelopment we have increased the number of turnstiles and renamed them Gates A to F.

New Block Numbers

A simplified and logical block numbering system has been introduced: U for Upper level, M for Mid level and L for Lower level. The block numbers run clockwise along each level, starting in the South West corner.

We ask spectators to arrive at the stadium at least 45 minutes before kick off to ensure everyone is in their seat for the start of the match.
