Getting There

TRAIN AND LONDON UNDERGROUND

There is an excellent service from Gloucester with regular trains to all parts of the country. The station is less than a 10-minute walk from Gloucester Rugby.

Come out of the station, turn right and follow the road towards Kingsholm from where signposts will lead you to the ground.

To see up to date timetables and ticket information, please visit [Network Rail](#) or [Trainline](#).

Bag Policy

Please be aware that Gloucester RFC operate thorough security measures at there matchdays, including bag checks at all gates, which may include search dogs.

They ask that you avoid bringing bags if possible, and for any bags you do bring to be less than A4 in size. You may also notice a strong security presence throughout the site both outside and inside our gates.

They hope that these measures do not cause you or your guests too much inconvenience and ask for your understanding, patience and cooperation.

Preparing for Entry

Step by step:

1. External food and drink are not allowed into the venue. There are plenty of options inside, so please finish any pre-entry refreshments you have before joining the queues.
2. If you have a large bag, check with one of the team about the bag drop location.
3. Head to one of the gate options shown on your ticket and join one of the queues.
4. Have your phone ready if using the digital ticket app or your physical ticket.
5. Open any outer jackets and bags (smaller than A4) and remove large items. These can be placed at the search station for the staff to check.
6. You don't need to remove belts or shoes.
7. The search staff will conduct the checks and instruct you further.
8. Once cleared pass through the ticket turnstile with your ticket.
